Australia's Most Senior Person In

Government Corruption & False Flag Terrorism

Greetings Fellow Australians

And friends from around the World, as you can see with the next link and news article our own Australian Federal Attorney General Robert McClelland MHR, has another "Tizzy Fit" about Wikileaks releasing more Cables, Letters, Documents to the World.

Assange risks arrest warrant from Australia

<http://www.sbs.com.au/news/article/1584526/Assange-risks-arrest-warrant-from-Australia>

What can I say Robert?

If you and your Government and previous Australian Federal Governments, Police, Military, Intelligence Agencies and other Public Servants have nothing to hide, then you're in the clear.

Including ASIO Agents Bobby Boy.....

But if you have been scheming with the American & Israel Embassy's in Canberra and in Washington DC and Tel Aviv and going about the World creating trouble, problems then be scared **"Bobby Boy"** be very scared.

May I remind everybody while Australia has signed The ANZUS Treaty with America, Australia is still a Sovereign Country with our own systems, laws in place.

One of these Laws in place is about Treacherous, Traitorous, Scheming Politicians, and The ANAZ Treaty does **NOT** provide an out for these scumbag Politicians to sell their country down the drain.

Please Read: -

Commonwealth Of Australia Constitution Act

Chapter I. The Parliament.

Part IV - Both Houses of the Parliament

43. A member of either House of Parliament shall be incapable of being chosen or of sitting as a member of the other House.

44. Any person who –

(I) Is under any acknowledgement of allegiance, obedience, or adherence to a foreign power, or is a subject or a citizen or entitled to the rights or privileges of a subject or citizen of a foreign power.

Some smart, cunning, sly politicians know about the above Law in place and don't dare risk being caught, so instead they send a lowly dispensable Public Servant or ASIO Agents to do their bidding and dirty deeds.

I love how the Good Attorney General threatens to use the law against Julian Assange, when convenient the Government wants to use the Laws & Courts to their side.

"Attorney General Robert McClelland made the point that to name an ASIO officer is a criminal offence".

But nobody threatened anybody when the Alternative Media out your Two ASIO Agents – Agents within The Federal Attorney General Office who were placed as Media Liaison Officers in Tasmania Premiers Office & Tasmanian Police Dept for the Port Arthur 1996 False Flag Terrorist Attacks (ASIO, Federal Police, Tasmania Police) carried out.

To handle all Official information which was to be feed to the lying – incompetent – corrupt and controlled Mainstream Media to prop up and set the stage for The Official Story to take shape and be told setting up Martin Bryant as the lone Patsy – Stooge.

***** Can you see what this guy just did? When convenient he uses the Law against people to silence dissent.

When President Barrack Obama chargers Ex- Vice President Dick Cheney for outing a CIA Agent Valerie Plane, then start quoting your Laws Bobby Boy.

But I am interested why at this time, is this Wikileaks Media Rant being used as an distraction to stop people looking at the bigger picture of problems, issues going on in our society and countries.

Problem, Reaction, Solution

Ever heard of it people? Its what Governments do allot to take peoples eyes of things, they deliberately create some problem, react to it and then offer a solution.

And this is what the whole Robert McClelland MHR Australian Federal Attorney General Media rant is all about **Total Distraction Pys Ops 101** being played out.

So I started looking about in the Alternative Media and trying to find what Robert McClelland, The Australian Government, Police, Military, Intelligence Agencies and Mainstream Media are running so scared of or from?

Any clues?

Well look what I found?

Its explosive specially coming on 3 days after 11th Sept 2011, and it blows the Official story for 11th Sept 2001 out the door.

Because the **"Cover Story"** – listen up the Cover Story which was told and used to set up the Official Story just fell over right in a heap (Bang Dead – Get No \$200 Go Straight To Jail)

The Cover Story Told To Set Up The Official Story For 11th Sept 2001 Terrorist Attacks In New York USA.

The Cover Story told to set up the Official Story which would be told by every single Mainstream Media outlet in the World was.

15 of the 19 "Al Qa`eda" Muslim Terrorist Trained at a Florida Flying School, that is how they learnt to Fly the hijacked Planes on 11th Sept 2001.

Look What I Found!

Rudi Dekkers drops some bombshell 9/11 revelations on the tenth anniversary of the attacks

<http://fauxcapitalist.com/2011/09/11/rudi-dekkers-drops-some-bombshell-911-revelations-on-the-tenth-anniversary-of-the-attacks/>

Now before you read the story, and go out and buy the book, I better explain how this now "DEBUNKS" the Official Story told about 11th Sept 2001 Attacks.

By The Cover Story falling over in a heap, the Official story also does too, every 911 Truther, Investigator, Researcher this side of the Black Stump is going to fall over laughing, because the following backs up all those "Conspiracy Theorist" who say 11th Sept 2001 Was An Inside Job.

Points To Remember As You Read

- 1) The Mainstream Media, George Bush, Tony Blair, John Howard, Stephen Harper, Kevin Rudd all told us Mommand Atta and the others were devout Muslims.
- 2) The Mainstream Media, George Bush, Tony Blair, John Howard, Stephen Harper, Kevin Rudd all told us Muslims Pray 5 times a day.

Oh Me ! Rudi Dekker just exposed - He said he never saw Atta and al-Shehhi ever pray when they were at his flight school

- 3) The Mainstream Media, George Bush, Tony Blair, John Howard, Stephen Harper, Kevin Rudd all told us Mommand Atta Voice Is and Was Recorded, and The Audio Released to The Mainstream Media.

Oh My! Rudi Dekkers said voice purported to be Atta's from the alleged cockpit voice recorder didn't sound at all like Atta's to him.

- 4) The Mainstream Media, George Bush, Tony Blair, John Howard, Stephen Harper, Kevin Rudd never told us, the 15 Pilots Training were as useless as Tits on Mary the Drag Queen.

Oh Shit! Rudi Dekkers said the 15 Pilots were ONLY – lets repeat that for all the brain dead, brainwashed dopes out there – the 15 Pilots were ONLY Trained / Qualified to fly a small plane with a few seats, and not a Boeing 767 / 757 Jumbo Jet.

These lying sacks of shits, I am calling them all out now because they are trying to treat us all stupid, like we come down in the last shower.

The 15 Pilots were ONLY Trained / Qualified to fly a small plane with a few seats, and not a Boeing 767 / 757 Jumbo Jet.

Who should know best?

But their Trainer who Trained them, if they can just pass the test to fly a small plane, there is NO WAY they can get into a big 767 or 757 and Fly it better then most Pilots about today or the best Pilots in the World.

Oh Me!

Oh My!

Oh Shit!

Its any wonder they are calling CIA – Israeli Mossad funded agent Julian Assange again to do a quick **101 Psy Ops Media Rant Campaign** to distract people.

By Rudi Dekker releasing his Book and exposing what he does means the Cover Story falls over in a heap about the 15 Pilots BS.

Lloyd T Vance & Steve Johnson explains and exposes the full story in their latest Book.

The OzBoy File – The Truth Osama Bin laden Laughs From The Grave 11th Sept 2011

They expose the Whole Israeli Fake Hijacker Terrorist Cell who were impersonating with stolen ID's the names for which were eventually given over to the FBI.

They also name, some of the Israelis involved in the Operation.

Rudi Dekkers, the owner of Huffman Aviation, the flight school where alleged 9/11 hijackers Mohamed Atta and Marwan al-Shehhi trained at, dropped some bombshell revelations on the September 11, 2011 episode of Erskine Overnight, in speaking about his new book, Guilty by Association.

He said he never saw Atta and al-Shehhi ever pray when they were at his flight school, and that the voice purported to be Atta's from the alleged cockpit voice recorder didn't sound at all like Atta's to him.

Rudi Dekkers, the owner of Huffman Aviation, the flight school where alleged 9/11 hijackers Mohamed Atta and Marwan al-Shehhi trained at, dropped some bombshell revelations on the September 11, 2011 episode of Erskine Overnight, in speaking about his new book, Guilty by Association.

He said he never saw Atta and al-Shehhi ever pray when they were at his flight school, and that the voice purported to be Atta's from the alleged cockpit voice recorder didn't sound at all like Atta's to him.

He also said that Atta was a mediocre student and was warned six weeks into his training that he would be kicked out unless he shaped up.

Ultimately, upon graduation, Atta and al-Shehhi were only qualified to fly a small plane with a few seats, and not a Boeing 767 jumbo jet, as he and al-Shehhi are alleged to have flown so skillfully into the World Trade towers.
